Guest Player Participation Form

Baton Rouge Soccer Association policy regarding use of guest players states as follows:

In an effort to promote the playing of all scheduled matches, teams within the BRSA club shall be allowed use of guest players at the same age level within their league or the opposing team's league, based upon the requesting team's ability to field a regulation line up, plus two substitutions (i.e. -- U11/12 - no more than 10 players; U13 and up - no more than 13). Under no circumstances shall any team be allowed use of any guest players if, at the commencement of the match, it has a sufficient number of players as contemplated by this policy. In order for the requesting coach to use any guest player, he/she must procure and ensure proper execution of this form by all appropriate persons, including the requesting coach, the guest player's host coach, and guest player's parent or guardian. The requesting coach must present this properly executed form to the referee before the match, along with the guest player's current player pass. Upon verification of the validity of the guest player pass, the referee shall then tender this form to the opposing coach before the game. The intent of this procedure is to prevent abuse of the guest player policy, and to promote notions of fair play for all concerned. This policy only pertains to and contemplates use of guest players within the BRSA club. Any other use of guest players shall be governed by and subject to all applicable rules, regulations, and policies of the Louisiana Soccer Association.
